How we celebrate Christmas!!!

On 25th December in England we celebrate the birth of Jesus. We now know it as Christmas. We all give our family and friends presents and gifts. On Christmas Day we all wake up early and go to our Christmas tree to open presents. At dinnertime we all eat a traditional roast dinner.

Boxing Day

On 26th December
we celebrate 'Boxing
Day'.

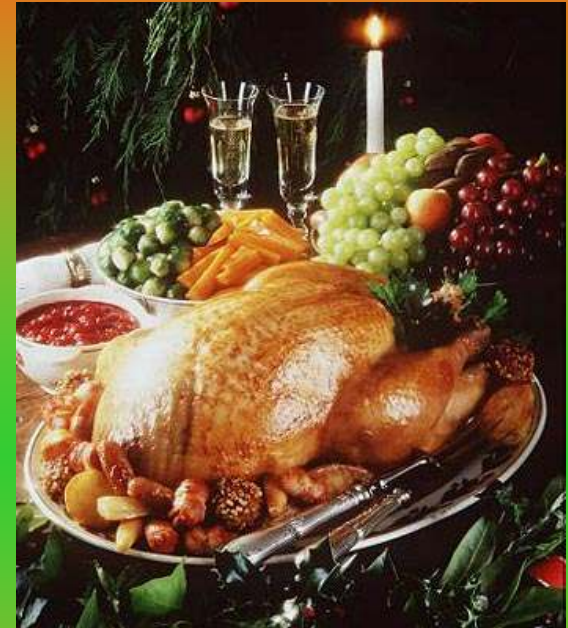

This is normally a chilled
out day where we reflect
and play with our new
presents.

Christmas Dinner

Every year on Christmas Day most people in Britain have a traditional Christmas Lunch/meal. Traditionally this includes a Turkey, Vegetables and lots of Gravy!!!

After we eat Christmas Pudding.

Carols

Over the Christmas period people go to their neighbours homes and sing Christmas carols!
