# Christmas eve!

On the 24<sup>th</sup> of December is when Santa comes with his reindeers in the middle of the night to deliver the presents. All the boys and girls will put out milk, cookies, sherry and carrots as a gift to him. He will only come when all the girls and boys are asleep.

# SANTA :)

This is Santa Claus  
( St Nickolas)

Santa Clause is meant to have given poor children presents ages ago when he was alive. So at Christmas he will come down the chimney and leave some presents to all the good boys and girls and if you where bad then he would leave you a bag of coal and not gifts.

Stockings are used to put gifts in at Christmas

Santa comes down the chimney on Christmas eve to deliver the presents.

Presents are the best part of Christmas 😊😊 They represent the gifts that the three kings gave to Jesus.

Christmas trees are decorated at Christmas time. They are decorated with tinsel and ball balls. A star is placed on the top of the tree to represent the star that guided everybody to baby Jesus.

# Christmas dinner

Christmas turkey

Christmas pudding

**On Christmas day, after you opened all your presents it is a tradition to have a Christmas lunch which is: roast turkey, Brussels sprouts, roast potatoes and alcohol ( not for kids )☺ After you have your lunch you have a Christmas pudding.**

# Santas reindeers !

**Santa has 9 reindeers which take him from house to house. They aren't like ordinary reindeers....they fly. That is why we leave carrots on the mantel piece so that they have something to eat.**
